[G] Here's a little song about [D] four wet pigs

Here's a little song about [G] four wet pigs

[C] Two of 'em little, and [G] two of 'em big

They [D] danced all night at the [G] pig town jig

[G] [D] [D] [G] [C] [G] [D] [G]

The two that were little, were [D] just half grown

The two that were big, were [G] big as a barn

[C] Big as a barn, [G] tall as a tree

[D] Take 'em on down to the [G] factory

[G] [D] [D] [G] [C] [G] [D] [G]

Slice 'em into bacon, [D] cut 'em into hams

Chop 'em into hot dogs, [G] squeeze 'em into spam

[C] Throw their little eyes [G] out in the rain

[D] Pickle their feet and [G] scramble their brains

Hum melody - [G] [D] [D] [G] [C] [G] [D] [G]

Here's a little song about [D] two wet pigs

Leaning on the slop trough, [G] smoking their cigs

[C] Hoping to god that they [G] never get big

They [D] danced all night at the [G] pig town jig

[C] Hoping to god that they [G] never get big

They [D] danced all night at the [G] pig town jig
