

Help

[Bm] Help! I need some [Bm][A]body

[G] Help! Not just any [G][F#]body

[E] Help! You know I need someone

[A] Help!

[A] When I was younger, so much [C#m] younger than today

When when I was young

[F#m] I never needed anybody's [D] help in [G] any [A] way

I never needed help in any way

But now those days are gone I'm [C#m] not so self assured

Now these days are gone

[F#m] Now I find I've changed my mind

And now I find

I've [D] opened [G] up the [A] door

opened up the door

Chorus:

[Bm] Help me if you can I'm feeling down [Bm][A]

and I [G] do appreciate you being 'round [G][F#]

[E] Help me get my feet back on the ground

Won't you [A] please, please help me

And now my life has changed in [C#m] oh so many ways

Now my life has changed

[F#m] My independence seemed to [D] vanish [G] in the [A] haze

My independ vanish in the haze

But every now and then I [C#m] feel so insecure,

But now and then

[F#m] I know that I just need you like I've [D] never [G] done be [A]fore

I know that I never done before
