[Dm] Help! I need some [Dm][C]body

[Bb] Help! Not just any [Bb][A]body

[G] Help! You know I need someone

[C] Help!

[C] When I was younger, so much [Em] younger than today

When when I was young

[Am] I never needed anybody's [F] help in [Bb] any [C] way

I never needed help in any way

But now those days are gone I'm [Em] not so self assured

Now these days are gone

[Am] Now I find I've changed my mind

And now I find

I've [F] opened [Bb] up the [C] door

opened up the door

Chorus:

[Dm] Help me if you can I'm feeling down [Dm][C]

and I [Bb] do appreciate you being 'round [Bb][A]

[G] Help me get my feet back on the ground

Won't you [C] please, please help me

And now my life has changed in [Em] oh so many ways

Now my life has changed

[Am] My independence seemed to [F] vanish [Bb] in the [C] haze

My independ vanish in the haze

But every now and then I [Em] feel so insecure,

But now and then

[Am] I know that I just need you like I've [F] never [Bb] done be [C]fore

I know that I never done before
