

# River of Dreams

**Intro: (In the middle of the, I go walking in the - X4) [G] [G] [C] [D]**

In the middle of the [G] night, I go walking in my sleep  
From the mountains of [C] faith to the river so [D] deep  
I must be looking for [G] something something sacred I lost  
But the river is [C] wide and it's too hard to [D] cross.

[Em] Even though I know the [D] river is wide  
I walk [C] down every evening and [Bm] stand on the shore  
[Em] I try to cross to the [D] opposite side  
So I can [A7] finally find what I've been [D] looking for

In the middle of the [G] night I go walking in my sleep  
Through the valley of [C] fear to a river so [D] deep  
I've been searching for [G] something taken out of my [G] soul  
Something I would never [C] lose, something somebody [D] stole.

[Em] I don't know why I go [D] walking at night  
But now I'm [C] tired and I don't wanna [Bm] walk anymore  
[Em] Hope it doesn't take the [D] rest of my life  
Until I [A7] find what it is I've been [D] looking for

In the middle of the [G] night I go walking in my sleep  
Through the jungle of [C] doubt to the river so [D] deep  
I know I'm searching for [G] something, something so undefined  
That it only can be [C] seen by the eyes of the [D] blind  
In the middle of the [G] night

[Em] Not sure about [D] life after this  
God [C] knows I've never been a [Bm] spiritual man  
[Em] Baptized by the [D] fire, I wade into the [A7] river  
That is running through the [D] promised land

In the middle of the [G] night, I go walking in my sleep  
Through the desert of [C] truth to the river so [D] deep  
We all land in the [G] ocean we all start in the streams  
We all carried [C] along by the river of [D] dreams  
In the middle of the [G] night

[G] I go walking in the, in the middle of the  
I go walking in the, in the middle of the  
[C] I go walking in the, in the middle of the  
[D] I go walking in the, in the middle of the  
[Repeat fade]
