

This Season Will Never Grow Old

[G] Christmas is coming I can [C] tell by the [G] smiles
I remember the snowflakes that [D7] fell from the sky
And [G] covered the village that [C] lay sleeping below
Thank [G] goodness this season will [D7] never grow [G] old

I look through my window [C] well into the [G] night
Watching and waiting and [D7] hoping I might
See [G] one little reindeer [C] fly through the snow
Thank [G] goodness this season will [D7] never grow [G] old

Chorus:

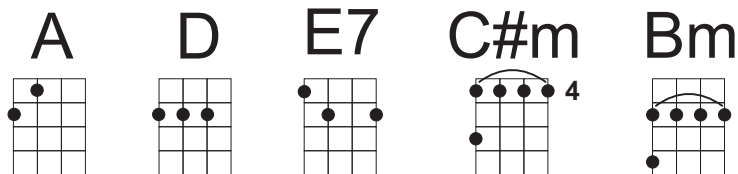

[C] Christmas is coming may [Bm] joy fill your [Am] home
And the [G] spirit be with you [D7] wherever you [G] go
[C] Christmas is coming may [G] joy fill your [Am] home
And the [G] spirit be with you [D7] wherever you [G] go

Trees with full branches were the [C] first ones to [G] go
I remember the children who [D7] came to the door
And [G] sang out the carols we [C] all used to know
Thank [G] goodness this season will [D7] never grow [G] old

All round the fire the [C] warmth of the [G] flame
Tip-toeing softly trying [D7] not to awake
The [G] ones who lie waiting for [C] good things you know
Thank [G] goodness this season will [D7] never grow [G] old

Chorus
