

While Strolling Thru The Park One Day

While [Bb] strolling through the park one [Eb] day [G7]
[C7] In the merry merry month of [F7] May
I was [Bb] taken by surprise
By a [C7] pair of roguish eyes
In a [F7] moment my poor heart was stole a[Bb]way

A [D7] smile was all she [Gm] gave [D7] to [Gm] me
[D7] [Gm]\ [D7]\ [Gm]\
Of [C7] course we were as happy [F] as [C7] can [F] be
[C7] [F]\ [F7] Ah

I im[Bb]mediately raised my [Eb] hat [G7]
And [C7] finally she re[F7]marked
I [Bb] never shall forget
That [C7] lovely afternoon
I [F7] met her at the fountain in the [Bb] park [F]\ [Bb]\
[repeat from beginning]
